A day of FUN with a PURPOSE

On June 17th, 2017 the South Carolina Grand Lodge of Ancient Free & Accepted Masons will be hosting a day of fun with a purpose at Westcott Plantation Golf Course. This will be a day that all players of whatever skill level will be able to come out and have fun while serving a noble purpose. The proceeds from this event will be donated towards The Clifford & Bessie Hazel Cancer Foundation. The CBC Foundation is a (501)(c)(3) nonprofit organization with the prime objective to help eradicate cancer and to help give relief to those who are effected by this virus. The CBC Foundation offers services such as cancer prevention seminars, free screening, counseling and additional relief to families in the community.

To assist The CBC Foundation to continue to offer these services to the community the South Carolina Grand Lodge of Ancient Free & Accepted Masons host a variety of fundraisers. This year we are hosting an annual golf tournament that will be open to all skill levels. There will be door prizes as well as prizes on different holes of the course. As it will take more than one person to find the cure for cancer, we can all assist in any possible way. We are offering different sponsorship packages to help with this event.

There are many organizations out there fundraising for worthy causes, but we hope that you will take this opportunity to support the CBC Foundation via our Annual Grand Masters Golf tournament. Your donation will do so much to help the people in the local communities with education, prevention, and early detection; as well as the sick and shut in. Thanks in advance. Kind

Kind Regards,

M.: W.: Rashad S. Muhammad G.M.
